A255

SOLLEVATORE MONOBRACCIO
SINGLE-ARM LIFT

QUALITY MADE IN ITALY

A255 | SOLLEVATORE MONOBRACCIO

The A255 single-arm lift is specifically designed for the conversion of compact vehicles thanks to its reduced weight and compact overall dimensions. Its unique design features a swivel base that allows the lifting arm to rotate both inside and outside the vehicle, with multiple locking positions available. The model is available in three different versions, with platform widths of 650 mm, 700 mm or 750 mm. All versions are available with either a right-hand or left-hand arm configuration to meet installation requirements.
